

## **Press Release**

### **The Showbiz Report** **Saturday 15 October at 7. 30pm**

Every week The Showbiz Report is broadcast from an exotic location. The hostess, Nicky Greenwall, offers you more than just an entertainment programme. It's also a news programme bringing viewers all the freshest information on what's hot and happening in the world of art, music, fashion, and insights into the lives of local and international celebrities.

This week on The Showbiz Report:

- They pop in at the Go See Film Indaba in Cape Town, featuring highlights from the event. Pam Andrews' latest CD is featured, with an interview from the Backstage star.
- They cover the Earth Water Fire Air Festival that took place at the Castle, with a feature on Africa's biggest drumming circle.
- SA's own version of Eminem: two sexy and spunky young white hip-hopping twins show us their stuff!

All that and a whole lot more on this week's edition of The Showbiz Report. Saturday at 7:30pm. Only on e.
