

## Press Release

### **Sit back and Relax with 20something: Sunday, 17 July @ 1pm**

In need of some downtime? Then **20something** is just what the fun doctor ordered! Sit back and relax and let Namhla Ndlovu and Khethiwe Kunene guide you through the latest news in movies and in movies, every Sunday - free on e.

Kwaito musician Stoaan and member of the band Bongo Muffin is on the fun couch this week to chat about his solo album and his career past and present.

"Straight Out of Benoni" is about to wreck havoc in a theatre near you and so we join the lads backstage to take a behind-the-scene's look at this fun new South African movie.

The movie preview of the week is "Drum" starring Taye Diggs, Moshidi Motshegwa, and Gabriel Mann. As the story goes... Jim Bailey - an heir of a wealthy British mining family, launched Drum magazine, an icon of South African culture. In the process two figures emerge as the guiding force behind the magazine - Henry Nxumalo, a South African writer, and Jurgen Schadeberg, a German photographer. As the voice of the magazine grows louder, the government will stop at nothing to silence its most influential contributors, Henry and Jurgen.

The music video of the week comes from Gorrillaz with 'Feel Good Inc'.
