

## Press Release

### **MAKE YOUR FIRST TIME SPECIAL, WITH 20SOMETHING** **Sunday, 16 October @ 1pm**

A week of first timers as **20something** hangs with a first time mom and checks out a forty year old who's about to get some for the first time... It's happening this Sunday with Namhla Ndlovu and Khethiwe Kunene as your hosts @ 1pm, free on e.

We have the multi-talented Unathi Nkayi in our midst this week. A TV personality, radio DJ, musician and now tackling the most important role of her life as a mother, Unathi is in studio to chat about her new album release, titled *My First Time* and the joys of motherhood.

Are you about to embark on your first career move? Then make it worth your while by not missing the popular careers insert as we put **20somethingers** on the spot this week to chat to them about their career choices. What made them choose the career they are in, and do they see a future in their chosen fields?

The movie preview of the week is the American sleeper hit of the past summer "The 40-Year-Old Virgin" a lighthearted comedy starring Steve Carrell and Catherine Keener. Andy Stitzer has a nice life complete with an action figure collection and a cushy job at an electronics store. But the thing is: he's 40 years old ...and a virgin! Andy has just fallen in love with a woman, who doesn't want sex in a relationship. Could this be a damper on his plans of actually getting some? You'll have to watch to find out!

The music video of the week comes from shock-rapper Eminem with 'Ass like that'.
