

PRESS RELEASE

The Showbiz Report: Thursday, 19 May @ 7.30pm

The Showbiz Report (hosted by Nicky Greenwall) is South Africa's only dedicated entertainment news show, offering viewers the very latest reports from the world of movies, music, fashion and live entertainment.

Each week they'll count down the top ten performing movies at the local box office, as well as the top selling albums in the country – giving viewers an accurate and in-depth look at what kind of entertainment South Africans are spending their money on.

Some of the other items this week on The Showbiz Report:

- Pop Princess Kylie Minogue has been diagnosed with breast cancer
- Destiny's Child give middle eastern women something to think about
- Paris Hilton announces her latest money spinner
- Steven Segal gets ready to launch his music career
- And the world succumbs to the grip of Star Wars fever...

From Hollywood headlines to in-depth local interviews, the Showbiz report is the ideal companion for anyone who loves the business of entertainment and the people who make it such a fascinating story to watch.
