Tasting Freedom

Allan Heyl's story is one of daring prison escapes, dramatic bank robberies and inevitably - violent death. A recent film, glorified the bloody exploits of the **Stander Gang**, to many they were folk heroes - the stuff of legends.

But in reality Andre Stander, Lee McCall and Allan Heyl were hardened criminals on a desperate flight from justice. Stander and McCall died in a hail of bullets, Heyl spent most of his adult life behind bars.

After 27 years in prison the last member of the notorious Stander gang is free. He is out of jail and determined to dispel the myth that crime pays. Allan Heyl has come out determined to make a difference. 3rd Degree speaks to him about prison, crime, freedom and the future. **Tuesday 31 May @ 7.30pm**, only on **e!**
